Cultural Learner Licence Program (CLLP)

'A Culture for Safe Driving'

Website: cllp.motm.org.au
Email: cllp@motm.org.au

Objective: The Cultural Learner Licence program aims to help those who complete the course to be more knowledgeable with road rules and drive more safely when they get their provisional licence. This course supports and complements licensing requirements for learner drivers in QLD. It's very important that we understand whether or not the course is working and find out how we can improve it.

Location: Sunshine Coast, Moreton Bay, Gympie, remote and rural Queensland
